## Le Petit Wine Club

Our wine club is different than most. We designed it to offer a more personal and custom experience than traditional clubs. Below are a few of the details and benefits of our wine club.

- **Exclusive Membership** – Our wine club will be limited to 50 people. This way we can ensure your personal satisfaction. Events will be smaller and more enjoyable.
- **Less Commitment** – Wine members purchase 6 bottles of wine, three times a year.
- **Custom Wine** – Club Members will be able to come and pick out their 6 bottles of wine at our suggested mix at club events. No shipping and no getting wine that you don't love.
- **Great Events** – Having a smaller wine club and a more flexible tasting room schedule allows us to offer a great range of club events.
- **20% off of all purchases** – Receive your discount all the time, not just on your club sixes.
- **Special use of the Tasting Room** – Club members will be allowed to use the TR for private parties for \$100 (just the clean up fees). You will have a private server to pour your wine and you will get your 20% club discount on any wine you purchase. Our Tasting Room includes use of all appliances, a barbeque, table settings for 24, and indoor tables.
