Le Petit Wine Club

Le petit club de vin

Our new wine club is different than most. We designed it to offer the more personal and custom experience than traditional clubs. Below are a few of the details and benefits of our wine club.

- **Exclusive Membership** – Our wine club will be limited to 50 people. This way we can ensure your personal satisfaction. Events will be smaller and more enjoyable.
- **Less Commitment** – Wine members will receive 6 bottles of wine, three times a year.
- **Custom Wine** – Club Members will be able to come and pick out their 6 bottles of wine or our suggested mix at club events. No shipping and no getting wine that you don't love.
- **No Shipping** – We may deliver locally or hold your wine, but it won't be shipped unless very special arrangements are made.
- **Great Events** – Having a smaller wine club and a more flexible tasting room schedule allows us to offer a great range of club events.
- **15% off of all purchases** – Receive your discount all the time, not just on your club sixes.
- **Special use of the Tasting Room** – Club members will be allowed to use the TR for private parties for \$100 (just the clean up fees), with no minimum event wine purchase. You will have a private server to pour your wine and you will get your 15% club discount on any wine you purchase. Our Tasting Room includes use of all appliances, a barbeque, table settings for 24, indoor and outdoor tables and much more.
